Julian Edmunds

Julian began dancing at 4 and has been dancing for 14 years. A favorite dance memory is playing a lost boy in Ballet Wyoming's production of Peter Pan when he was 9.

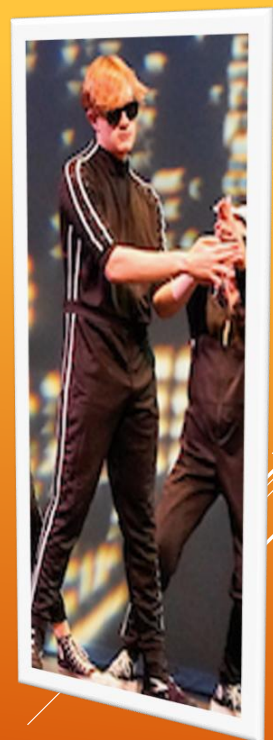

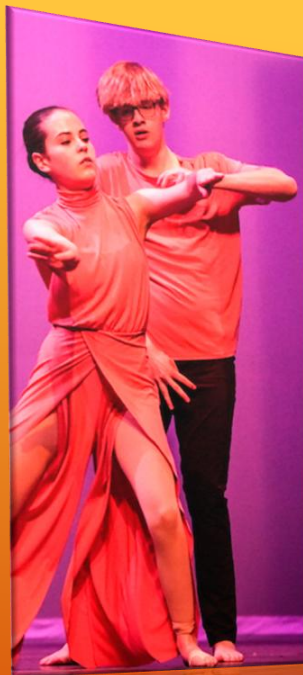

Julian has tried almost every dance style at En Avant. Julian completed 12 years of Tap and Ballet, 8 years of Hip Hop, 6 years of Modern and Jazz, 5 years of Lyrical and 1 year each of Hoop and Irish. Julian also took Musical Theatre Jazz (one year) and Hip Hop with his older sister Jonnina. He is in Tap 3 with his younger brother Jensen.

For Julian dance is a way to express himself. It's also great for staying in shape and making friends. Dancing helped with band and made him better at marching.

Julian Edmunds graduated from East High. A musician at heart Julian played in Marching band and Jazz band and plays piano.

JULIAN

JULIAN

Julian earned the Congressional Award Gold Medal; the highest honor Congress bestows on youth (ages 14-24). The award is a non-competitive, self-paced program requiring at least 400 hours of voluntary public service, 200 hours of personal development, 200 hours of physical fitness, and a 5-day expedition.

It recognizes initiative, service, and achievement. This program, established in 1979, encourages young people to set and achieve goals in four distinct, challenging areas, often resulting in significant personal growth and community impact.

Julian is an Eagle Scout and enjoys traveling, backpacking and camping. He plans to attend Colorado State University and major in Forestry.

Tea Frausto

Tea Lucia Frausto started dancing at En Avant Dance when she was four and has continued dance for 15 years. She has had 2 years of Improv and Jazz, 4 years of Pointe, 5 years of Contemporary, 9 years of Hip Hop, 10 years of Tap and 12 years of Ballet.

Dance gives Tea a fun escape from school and the chance to spend time learning with friends.

Tea also loves the way dance has allowed her to grow as a person, learning teamwork and discipline that she will carry with her always.

TEA

Tea's favorite teacher has been Miss Raegan because of the fun challenges and different styles Miss Raegan introduced and taught.

Tea graduated from Central High where she was involved in Soccer, Key Club International Club, and Sociedad Honoraria Hispanica (SHH) the national Spanish honor society in the US. Additionally, she served as Vice President of the American Sign Language Club and Vice President of the Spanish Club. Tea plans to attend Saint Mary's College in Notre Dame, Indiana to study Criminology with a minor in psychology.

At 2 'Ruby' started dancing at En Avant and has danced here for 16 ½ years. Her family moved to Nebraska for 6 months and Ruby danced at Encore Performing Arts Studio before returning to En Avant. 'Ruby' loves to dance because it relaxes her and makes her feel happy and stress free.

PEARLA RUBY HOSTETTLER

Pearla Ruby has 16 ½ years of Ballet, 8 years of Hip Hop, 3 years of Tap, 2 years of Contemporary and 1 year of Pointe. She also filled in for a few months in Burlesque due to a medical issue with another dancer. This allowed the Burlesque class to perform the piece they'd learned and not have to change it. A favorite memory is Ballet with Miss Winter and dancing to the Nutcracker

Pearla Ruby

Pearla Ruby Hostettler

Pearla Ruby Hostettler is a graduate of South High School where she has been involved in Basketball for three years and Debate Team for two years. She was also involved in Girl scouts and Latina Conferences for eight years. She's belonged to Chicana club for four years.

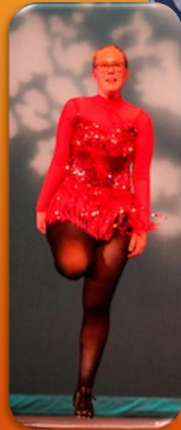

Ruby Pearla wants to keep dancing. She will spend her first year of college at LCCC before transferring to UW where she hopes to eventually earn her law degree. She hopes to continue assisting, teaching and sharing her passion for dance with younger dancers.

ASHLEY OLSEN

Ashley has 13 years of Ballet, 12 years of Tap, six years of Pointe and Irish Step. She has had three years of Contemporary. Ashley's favorite experience from dance was her first contemporary performance. The music was from Dear Evan Hansen and deeply resonated with her. It became her favorite musical.

She found the music and choreography powerful, and Ashley loved expressing the complex emotions inspired by the music and lyrics through beautiful unique choreography. The performance held feelings of power, strength and love that she will never forget.

ASHLEY

Ashley Olsen is a graduate of East High School. Ashley started dancing at En Avant Dance at five. Ashley loves dance because music is an important part of her life and she enjoys interpreting it in new ways. As a musician, she creates music regularly, but dance is a space where she can feel sound flowing through her to create motion and visual music. She can escape the stress of everyday life and focus her full attention toward authenticity instead of perfection. She also enjoys the challenges and is grateful for the perseverance gained in dance through working on skills that do not come easily to her and the rewarding experience of achieving success.

ASHLEY OLSEN

Ashely was in East's poetry club and competes in Poetry Out Loud and Poetry Ourselves.

She plays the flute and piccolo and was a member of the East High concert, marching, and pep bands, multiple honor bands and the pit orchestra for East's 2026 musical. Ashley is in a duo with her cellist friend (The Tacet Twins) and plays at her church. Outside of school and dance, she enjoys reading, crafting, and solving logic puzzles. Ashley is planning to attend the University of Wyoming to major in molecular biology. While in college Ashley will participate in the Western Thunder Marching Band, the Flute Studio, other music ensembles and Honors College. After college Ashley hopes to enroll in a research program and pursue a career in genetics research.

Sirma Orahovats has been dancing since she could walk. She started at En Avant Dance when she was four. She has taken seven years of Hip Hop, eight years of Ballet and 10 years of Tap.

Sirma loves to dance and sees it as an escape from things in the real world like work, school, academic tasks, extra curriculars, etc. Dance is a way to move her body and builds motivation for Sirma.

SIRMA ORAHOVATS

SIRMA

Sirma's favorite memories of dance include learning Tap from Miss Lorraine, even how to smile while focusing on tap moves.

Lorraine also provided students with lots of tap history which Sirma really enjoyed. Sirma also loved learning new moves and phrasing with Miss Reagan after Lorraine retired. Sirma is very thankful to have the great experiences in dance and really appreciates the influence of both her tap teachers.

SIRMA OROHOVATS

Sirma graduated from Central High School. Although she played soccer through her junior year her focus over the last year was on service. Sirma served as Secretary of the student body in Student Council. She also served as President of Key Club, Secretary of International Club, and Chief of Staff in ROTC. Sirma was also a member of the Mayors Youth Council and NHS. Sirma plans to attend Colorado State University to major in biomedical sciences.

SARA STUMP

Sarah's first time at dance class was in an infant carrier for her sisters first dance class. She started dancing at age three and now has 15 years of Ballet, eight years of Jazz, seven years of Hip Hop and Lyrical Contemporary, four years of Lyra/Aerial Hoop, three years of Tap, Modern, and Pointe, two years of Improv and one year of Acro. Sarah has also been a member of the Act Two competition team for the past four years.

SARA STUMP

Sarah loves the thrill and challenge of dance. Dancing is her chosen medium of expression showing emotion, releasing stress, and having fun with friends. Sara forgets about everything else and loses herself in the movement when she is dancing. Growing up dancing with and being in Jazz, Hoop, and Pointe with her older sister Elizabeth and performing a duet with Addison Goodman are just two favorite memories of dance. Sarah also participated in seasonal figure skating from age five to 17 in Ft. Collins.

SARA STUMP

Sarah Stump graduated from Central High School. She sang in choir from junior high through high school and joined the exclusive Centralaires as a junior and senior.

Sarah studied French, was a member of the French Honor Society and participated in French Club. Sara will attend the University of Arizona but has not decided on a major.

"When She Loved Me" from Toy Story 2 (1999) was written and composed by Randy Newman. Piano and orchestral accompaniment arranged and directed by Randy Newman. It features a simple piano ballad arrangement to highlight the emotional vocals. While a full orchestra plays on the soundtrack version (featuring strings and woodwinds), the core of the recording is Newman's piano, and there is no commonly cited "conductor" named for that specific, intimate track in the way one would for a major symphony recording.
