We Could Use a Little Help from Our Friends! We love our En Avant families. Truly. And we'd love to find a few more families just like you!

Here's the honest truth: we don't have a big advertising budget—and we'd rather spend our money on our students than on ads. So, when it comes to finding new families, we're counting on the people who already know and love En Avant. If you're happy to be

part of our studio, here are three little ways you can help:

- **Leave us a review.** Your kind words help other families feel confident about giving us a try. Enavantwy.com
- **SHARE OUR FACEBOOK AND INSTAGRAM POSTS.** Likes make us smile, but shares are the real superheroes! Sharing a post helps it reach people who may not know us yet.
- **Follow us on Facebook**
- **Become a Brand Champion!** We've started a referral program with incentives for current families who introduce someone new to En Avant. If they enroll, they get a 10% discount on registration. After they make regular payments for at least six months, we pay you a finder's fee. If you're interested, email dance@enavantwy.com and we'll send you the details.

We're grateful for every family who chooses to dance with us—and for every little thing you do to help our studio grow. Thank you for being part of the En Avant family!
