

Hello everyone! My name is Raegan, and I'm so happy to be a part of the En Avent family! I took my first ballet class at the age of three at a studio where my grandma taught, and was immediately hooked. Since then, my dance training and experience has spanned over 25 years. One of the highlights of my career was landing a role as a performer at Walt Disney World in Orlando, and bringing joy and laughter to hundreds of families every day. After returning home, I started teaching tap, ballet, and contemporary dance at a studio in Northern Colorado and absolutely found my passion in sharing the love of dance with a whole new generation!

Through the years, dance has been a journey of growth, self-discovery, and such a positive outlet in my life. Dance, for me, is not just an art form; it's a joyful conversation with music and a celebration of self-expression. I'm so excited to continue sharing the joys of dance and performance to our amazing students here in Cheyenne!
